

# Respondus Installation Guide

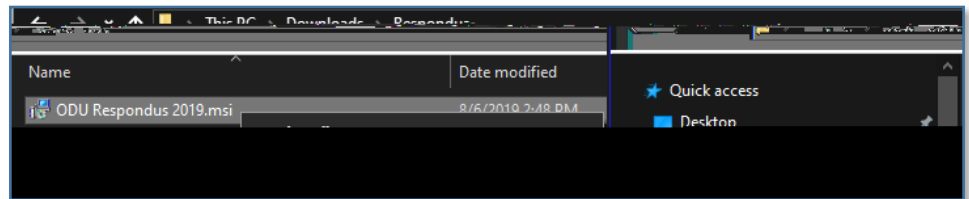

Respondus is a software application that allows you to create and manage tests and quizzes for your courses. It is available for Windows and Mac operating systems.

For more information, visit the Respondus website at [www.respondus.com](http://www.respondus.com).

1. Go to [www.respondus.com](http://www.respondus.com) and click on the **Download Respondus** link. You will be prompted to enter your MIDAS ID.

2. After you have entered your MIDAS ID, click on the **Install** link.

3.
